A warm Kozi Kidz welcome to our new and existing customers!

Kung Hei Fat Choy! (Happy Chinese New Year! and welcome the latest edition of our newsletter.

Despite a delay in the arrival of the cold and wet weather across Europe, Kozi Kidz has continued to be a popular choice with waterproofs, fleece, base layers and our highly popular fleece lined puddle boots, still flying out of the shops. All this proves that parents and children are making Kozi Kidz their first choice when it comes to purchasing weather protective gear that works and looks great too.

We have a strong collection to show you for both spring and winter 2012 and the collection remains exciting and vibrant as it grows and becomes an established favourite.

Year of the Dragon

Seeing in the Chinese New Year will be our new Kozi Kidz Beijing Showroom which opened in December 2011.

It's the Year of the Dragon; traditionally symbolising potent powers; particularly control over water, rainfall, hurricanes, and floods. We hope the dragon is kind this year!
